VOLUNTEER ACKNOWLEDGEMENT

It is imperative that all swim team parents help out during home meets to help the GISA league run smoothly. This can mean either being a timer for ½ a meet up unto Meet Starter and Computer. During the team registration meeting a volunteer sheet for each home meet will be available. Please fill in your name next to a spot you will be able to fulfill. We will then forward this to the rest of the team and post it on the pool bulletin board to be filled out further up until each meet.

Are you interested in helping in a larger role for the team (critical to ensure meets run smoothly) and or being part of the Parent Swim Team Committee? If yes, please contact Taylor Smith directly.

I have read and understand it is a requirement that all parents volunteer during the season
